Dear Sir,

Greetings from IAPSM.

In response to your application for considering the journal Healthline, published by your chapter; to give affiliation with IAPSM and confer it the status of National Journal, I am pleased to inform that, committee constituted has critically reviewed your application as well as previous issues and after careful consideration has **recommended Healthline for giving an affiliation as a National Journal of Indian Association of Preventive & Social Medicine.**

I congratulate for the same and intimate to proceed accordingly. I am to state that please once again refer the terms and conditions for affiliation and adhere it to ensure the continuation of affiliation. Also please note that as a National Journal sustaining quality as well enhancing it is the core value of IAPSM and it is request to strive hard for the same.

Please feel free to contact me or chief editor, IJCM for any help.

All the best.

Secretary General
(IAPSM)
